Welcome to underground\dnuorsrednu ^R
Welcome to underground\dnuorsrednu ^R

ou should know better than to walk around in the dark! You fell down and broke your neck!

\$@ are holding: A @.

\$The @ holds: a\A @.

\$A @.

\$ You are dead.\.daed era uoY \

You are dead.

You might possibly be reincarnated, but it will cost you 10 points to

try. Do you want to try?

\$The @ inside your flashlight is running out of power.

\$Your flashlight has gone out.

\$You feel a sudden surge of strength.

\$The green ring is no longer glowing.

\$It seems that your unusual strength has vanished while you hold

It seems that your unusual strength has vanished while you hold quite a large load. You fall backwards, and everything you are carrying lands on top of you, crushing you to death.

\$There is a @ here.

\$There is a @ here!

\$There is an open @ here.

\$There is a closed @ here.

\$There is an unconscious @ lying on the floor.

\$There is a small, threatening \ snitserht \, mean-looking @ here.

\$An electrical power-pack is here.

\$A fixture on the ceiling is turning, and \ dna\ firing laser

A fixture on the ceiling is turning, firing laser blasts at regular intervals.

\$There is a @ buried in the ground.

\$A large metal robot with a laser flats in the channel; \ and blocks the

exits west.\.tsew \ norths \ west and southwest.

\$A burned-out robot floats in the channel.

\$There is a jade figurine here, carved

A jade figurine, carved in the image of a monster, is here.

\$A light bulb on the ceiling \ \, too high to reach, bathes

A light bulb on the ceiling, too high to reach, bathes the room in a bright white light.

You notice that your thoughts are somewhat muddled.

\$There are two doors here, one on your left and the other on your right.

Both are closed but unlocked.

\$What about the @?

You are already holding the @.

\$It won't fit.

\$You aren't carrying the @.

\$The @ is not closed.

\$The @ is not open.

\$I'm afraid my digestive system isn't equipped for that.

\$I can only do that to a liquid, you know.

\$There is nothing in the @.

\$The @ is already full of water.

\$You would look quite silly wearing a @.

\$Attacking a @ is stupid.

\$You'll never be able to use a @ for a gun.

\$There is nothing written on it.

\$I don't know any game called "@".

\$A @ cannot give off light.

\$The @ is not lit.

\$You won't fit into the @.

\$The @

\$The @ kindly refuses your generous offer.

\$The @ kindly refuses your generous offer.
 \$The force field is now solid, and you cannot penetrate it.
 \$You are stopped by a cloud of extra-thick yellow mist.
 \$You are shot by a laser blast as you try to leave.
 \$As you leave, you are intercepted by a deadly weapon.
 \$As you enter the\e\is room, you are strun\n\ck from behind. \ .\^R
 As you enter this room, you are struck from behind and knocked
 unconscious. When you awaken...
 \$Your strength seems to has\s\ve deserted you.
 \$Your ty\y\houghts are starting to become slussish.

 \ihr\^R
 Your thoughts are getting very slussish. It is getting hard to think.
 \$You have become a human veetable.
 \$Your thoughts have cleared up.
 \$The @ has regained conciousness.
 \$The @ is knocked unconscious.
 \$The @ throws his @, kin\n\llins you.
 \$A @ just entered tha\s\e room, apparently looking for valuables.
 \$The @ Jku\uk\ust picked up a @.
