130 You can't carry so many things at once.

131 A giant green monster guards the stairwell!!

132 The vault is open.

133 The vault is closed.

134 You are on a path near a small building. The air here smells of

135 lake water. The path winds north into a dense forest, which surrounds

136 you on all sides.

137 You're outside buildings.

138 You are in a one room building, with stairs going down.

139 You are in the basement of the building. To the north is a great door

140 which appears to be locked from the other side. Stairs lead up.

141 You're in basement.

142 You are on a path which here bends from south to west. The forest

143 around you obscures any view of the building.

144 You're on path.

145 The path here goes into a dark cave tunnel. It exits to the south.

146 You're at cave entrance.

147 You are in a dense forest, with trees all around.

148 You are in a dense forest. To your west is the exit to a cave, with a

149 steep ramp which would be impossible to climb up.

150 You're at cave exit.

151 You are on the southwest shore of a small lake. The smell of

152 lake water is stronger here. The lake is surrounded by a forest.

153 You're at lake shore.
